

TOURISTS IN PALERMO

The Municipality of Palermo aims to measure the level of satisfaction of tourists on different aspects of the city: from cultural offer to safety, from public transport to the gastronomic offer, from monuments to the natural environment.

Therefore, we would really appreciate if you could collaborate, expressing an opinion on the various aspects listed and also providing comments and suggestions, if you wish.

All the information collected will be processed strictly in anonymous form and used exclusively for the purposes described above.

To participate in the survey, you simply have to frame the QR Code with your smartphone or tablet: the questionnaire will open, so you can fill in and send in a few minutes:
